

See What's New from PayDC!

Here's what's in this release (August 14, 2019)

Enhancements

This release includes the following enhancements to improve your ease of use:

- A number of improvements have been made to overall system performance, as well as improvements in specific areas of the application including Patient Aging billing report, and patient accounts.

Support:

- BILLING REPORTS: Practice Analysis report codes will appear in numerical order, and Deposit report codes appear in alphabetical order
- BILLING: Claims with HCPCS codes longer than 6 characters will generate appropriately.

Thank you for trusting us as your software vendor!
