

# See What's New from PayDC!

## *Latest Features and Update (December 3, 2015)*

### *Enhancements and support*

#### Here's what's in this release (December 3, 2015)

##### Enhancements

- We've made changes to support our new D2P billing platform.
- We've deployed functionality required to assist our billing customers in smoothly transitioning from the Zyantus clearinghouse.
- We've made modifications in Meaningful Use to comply with the new Modified Stage 2 measure.
- We've added the ability to more easily view inactive and deceased patients.

##### Support:

- We've made changes to ensure that the doctor signing the note is the one who completed the note.
- Other minor bug fixes and wording modifications.

Thank you!

PayDC/APS Development Team
