Latest Features and Update (February 20, 2015)

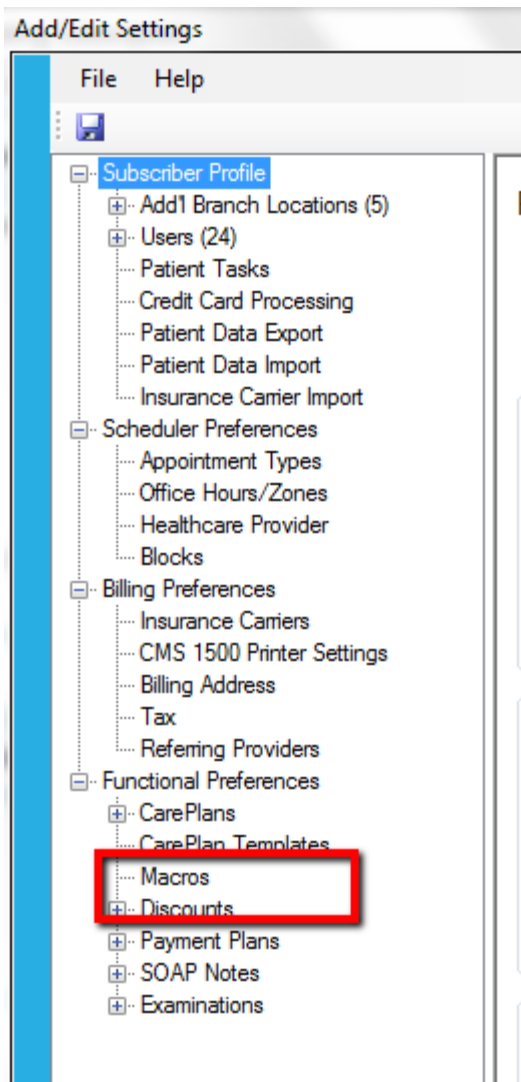

Functional Enhancements

- ✓ Settings/Notes: Continuing to update additional modifiers for specific procedure codes. Modifiers that were added in this release: RT & LT.
- ✓ Settings/Notes: Allow setting for text expansion macros that can be added to the additional notes and sticky note fields.
- ✓ Scheduler: Ability to have the scheduler window pop up as a separate window.
- ✓ Notes: Objective: Allow full content of text of Objective buttons when hovering over that button.
- ✓ Care plan: Removed the additional signature line from the care plan narrative.

NOTE: Details Regarding These Functional Enhancements Are Provided Below

Functional Enhancement Detail.

Settings/Notes: To enable and add macros, under Functional Preferences, click on Macros.

Under manage macros, you have the ability to enable, add and save new macros. It also explains the two ways to use the macros in your text.
