Added an optional field to capture Driver's License in Patient Data screen in Patient Portal.

A screenshot of the Patient Data screen in the Patient Portal. The browser address bar shows "https://staging2.paydc.com/Patient/PatientMain". The header bar is blue with "Boston Chiro Clinic" on the left and "Check In Subjective Check In Hello support1@paydc.com! [Log off]" on the right. The form contains the following fields: Nick name (text input), Suffix (dropdown menu with "LCA" selected), Birth date (required) (text input with "01/01/1980"), Social Security No (text input with "112-34-5678"), Driver's License (text input with "33243DSFFA" and a red arrow pointing to it), Gender (required) (dropdown menu with "Male" selected), Marital Status (required) (dropdown menu with "Single" selected), Sexual Orientation (dropdown menu with "Straight or heterosexual" selected), Other details (text input), Gender Identity (dropdown menu with "Male-to-Female (MTF)/Transgender F" selected), Other details (text input), and Height (text input).

Added an optional field to capture Social Security Number in Patient Data screen in Patient Portal.

A screenshot of the Patient Data screen in the Patient Portal, identical to the one above. The browser address bar shows "https://staging2.paydc.com/Patient/PatientMain". The header bar is blue with "Boston Chiro Clinic" on the left and "Check In Subjective Check In Hello support1@paydc.com! [Log off]" on the right. The form contains the following fields: Nick name (text input), Suffix (dropdown menu with "LCA" selected), Birth date (required) (text input with "01/01/1980"), Social Security No (text input with "112-34-5678" and a red arrow pointing to it), Driver's License (text input with "33243DSFFA"), Gender (required) (dropdown menu with "Male" selected), Marital Status (required) (dropdown menu with "Single" selected), Sexual Orientation (dropdown menu with "Straight or heterosexual" selected), Other details (text input), Gender Identity (dropdown menu with "Male-to-Female (MTF)/Transgender F" selected), Other details (text input), and Height (text input).

Added new options – TV, Drove By, Insurance Company in “How did you hear about us?” drop-down in the Patient Account screen.

The screenshot shows the 'Update Patient' window for Patient A. Krishna, 01/01/1980 (32342). The 'Initial Patient Questionnaire' section is active. The 'How did you hear about us?' dropdown menu is open, showing a list of options. A red arrow points to the 'Drove By' option.

Upon selection of “Doctor”, an additional optional field will be displayed to Enter the Doctor’s Name.

The screenshot shows the 'Update Patient' window for Patient A. Krishna, 01/01/1980 (32342). The 'Initial Patient Questionnaire' section is active. The 'How did you hear about us?' dropdown menu is set to 'Doctor'. A red arrow points to the 'Enter Name' text field next to the dropdown.

Upon selection of “Attorney”, an additional optional field will be displayed to Enter the Attorney’s Name.

The screenshot shows the 'Update Patient' window for Patient A. Krishna (01/01/1980, 32342). The 'Initial Patient Questionnaire' is displayed. The 'How did you hear about us?' dropdown menu is set to 'Attorney', indicated by a red arrow. Another red arrow points to the 'Enter Name' text box next to it. The form includes sections for Patient Data, Marital Status, Health Plan, Insurance Info, and Authorized Representative. The status bar at the bottom shows 'Status: Form Modified' and buttons for Edit, Print Condition Questionnaire, Print Patient Info, Save Patient Data, and Close.

Upon selection of “Patient”, an additional optional field will be displayed to Enter the Patient’s Name.

The screenshot shows the 'Update Patient' window for Patient A. Krishna (01/01/1980, 32342). The 'Initial Patient Questionnaire' is displayed. The 'How did you hear about us?' dropdown menu is set to 'Patient', indicated by a red arrow. Another red arrow points to the 'Enter Name' text box next to it. The form includes sections for Patient Data, Marital Status, Health Plan, Insurance Info, and Authorized Representative. The status bar at the bottom shows 'Status: Form Modified' and buttons for Edit, Print Condition Questionnaire, Print Patient Info, Save Patient Data, and Close.

Upon selection of “TV”, an additional optional field will be displayed to Enter the Channel or Show.

Added new options – TV, Drove By, Insurance Company in “How did you hear about us?” drop-down in the Patient Portal.

Upon selection of “Doctor”, an additional optional field will be displayed to Enter the Doctor’s Name.

A screenshot of a web browser showing the "PatientSignUp" form for Boston Chiro Clinic. The browser address bar shows "https://staging2.paydc.com/Patient/PatientSignUp/-640987602". The form has a blue header with "Boston Chiro Clinic" and "Log in About" links. The form fields include: Suffix (dropdown, "None"), Birth Date (text input), Gender (dropdown, "Male"), Email Address (text input), Primary Phone (text input), How did you hear about us? (dropdown, "Doctor"), and Enter Name (text input). Below these are checkboxes for "Condition Related To?" including "Auto Accident (Occupant or Pedestrian)", "Accident in Someone Else's Home", "Other Accident", "Work Related Accident", "Accident on Premises of Someone Else's Business", and "Non Accident". A "Save and Continue" button is at the bottom. Two red arrows point to the "Doctor" dropdown and the "Enter Name" field.

Upon selection of “Attorney”, an additional optional field will be displayed to Enter the Attorney’s Name.

A screenshot of the same web browser showing the "PatientSignUp" form for Boston Chiro Clinic. The browser address bar shows "https://staging2.paydc.com/Patient/PatientSignUp/-640987602". The form fields are the same as in the previous screenshot, but the "How did you hear about us?" dropdown is now set to "Attorney". The "Enter Name" field is still present. The "Condition Related To?" checkboxes and the "Save and Continue" button are also visible. Two red arrows point to the "Attorney" dropdown and the "Enter Name" field.

Upon selection of “Patient”, an additional optional field will be displayed to Enter the Patient’s Name.
