Here's what's in this Release (July 25th 2023)

We've added two new columns 'Date of Submission' and 'Submission Method' in both the Primary and Secondary Claims Submitted queues in the claims grid. The 'Date of Submission' column displays the date when each claim was submitted and the 'Submission Method' column displays the method through which the claim was submitted (e.g., Paper, Electronic).

Primary Claims Submitted Queue:

We have added a new feature of 'From Date' and 'To Date' replacing the post date in the Find Payment screen for both Insurance and Patient Payer Types.

The default date range is one month for the Date filters and search results accurately display payments that fall within the specified date range.
