Here's what's in this Release (January 24, 2024)

Enhancement: New Filtering Options for Billing Reports

We've expanded filter options for the Practice Analysis Report and Activity Summary by Procedure Report. The default setting for these reports will be for **All**, meaning the report will display all charges and payments within the other parameters just as it had been.

Practice Analysis Report – All

The screenshot shows the PayDC (STAGING2) interface for Boston Chiro Clinic (4092). The left sidebar lists various reports, with 'Practice Analysis Report' highlighted. The main area displays the 'Practice Analysis Report' form. The 'From Date' is 12/24/2023 and the 'To Date' is 1/23/2024. The 'Select Branch' and 'Select Provider' dropdowns are both set to 'All'. The 'Payer' section has a red box around it, showing 'All' selected with radio buttons for 'All', 'Self', and 'Insurance'. A 'Create Report' button is visible below the payer options. The report title 'BOSTON CHIRO CLINIC Practice Analysis' is displayed at the bottom.

But now you'll be able to filter for only Self Pay charges and payments with the **Self** option.

Practice Analysis Report – Self Pay Only

The screenshot shows the same PayDC (STAGING2) interface, but with the 'Self' option selected in the 'Payer' section. The 'From Date' is 12/24/2023 and the 'To Date' is 1/23/2024. The 'Select Branch' and 'Select Provider' dropdowns are both set to 'All'. The 'Payer' section has a red box around it, showing 'Self' selected with radio buttons for 'All', 'Self', and 'Insurance'. A 'Create Report' button is visible below the payer options. The report title 'BOSTON CHIRO CLINIC Practice Analysis' is displayed at the bottom. Below the title, the following filters are listed: 'Date Range: 12/24/2023 to 1/23/2024.', 'Branch: All', 'Provider: All', and 'Carrier: Self Pay'.

The **Insurance** option will enable an Insurance Carrier drop down where you can select a single carrier or multiple carriers.
